Facilities

The **gym** is separated into two areas providing a range of equipment from treadmills and cross-trainers to free weights and resistance machines.

The **pool** is primarily used for leisure, although lane swimming is possible. Aquacise classes and swimming lessons take place at various times throughout the week, please check our website for a full pool schedule. The pool is 15 metres in length and 1.5 metres deep with the temperature maintained at 32°C.

Separate **men's and women's steam room and sauna** are available in each changing area, allowing for your privacy and comfort.

Our professional **personal trainers** can help you reach your fitness goals. They can help with personal training, nutrition, injury rehabilitation and more. Our facilities are also available to hire by private personal trainers.

The **studio** hosts a variety of weekly classes ranging from yoga and pilates to high-energy fitness classes. Our studio is also available for private hire for one-off events or regular use.

Joining Aquilla Health & Fitness gives you access to a fully equipped gym, hot tub and heated swimming pool in the heart of Knightsbridge.
